Single Level Solutions

Perfect for: Non-Readers, K-12, Intellectually Disabled, Autistic, Deaf, OHI, LD, BEH
Software instructions in English, Spanish & ASL video

Now you can have access to our nationally recognized, non-phonetic, sight-based intervention specifically designed to teach fluency, comprehension and spelling of 2500 of the most common academic words in the most meaningful sentence, passages and stories. Pick the level that best describes your students' current reading level. Level III and IV are specifically designed to pick up where Edmark and PCI leave off.

Level I - Red (shown as an example to the right) teaches **mastery of 180 unique words**. When finished, your students will have completed 7 stories containing a total of 70 pages, 59 sentences, and 643 running words! Level I - Red is for students with a K-1st grade reading level.

Level II - Green teaches **mastery of 264 unique words**. When finished, your students will have completed 6 stories containing a total of 60 pages, 61 sentences, and 787 running words! Level II - Green is for students with a 1st-2nd grade reading level.

Level III - Orange teaches **mastery of 766 unique words**. When finished, your students will have completed 7 stories containing a total of 75 pages, 271 sentences, and 2,996 running words! Level III - Orange is for students with a 2nd-3rd grade reading level.

Level IV - Teal teaches **mastery of 1,281 unique words**. When finished, your students will have completed 7 stories containing a total of 75 pages, 557 sentences, and 8,303 running words! Level IV - Teal is for students with a 4th-5th grade reading level.

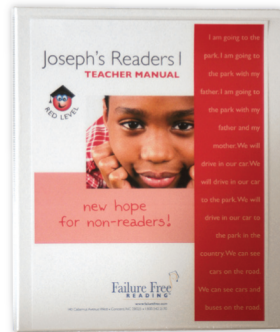

Single Level Solution software includes **506 Reinforcement Activities** per story and hundreds of hours of instruction on reading, writing, and spelling. Software instructions are provided in English, Spanish, and ASL video. **The software talks! No reading prerequisite!**
