COMPUTER-BASED TUTORING FOR YOUR CHILD

Proven Approach

Thousands of students have shown significant increases in their reading comprehension, fluency and spelling after using Failure Free Reading instruction.

Did you know that the English Language is very redundant? A mere 2,000 of the most commonly used words account for 90% of all the words seen in reading material in grades one thru nine! Failure Free Reading teaches 95% of these 2,000 most common words in approximately 270 hours of instruction.

Grades K-12

Failure Free Reading works with students in regular education as well as students in Special Education and English as a Second Language (ESL).

All students can read faster, comprehend higher and do much more.

There is hope! It's never too late to change attitude and instill confidence.
